

Welcome Back! We are glad to see you!

OUR PROMISE TO YOU

We will open this summer season with LIMITED CAPACITY (25% parking & beach entries) and will follow all of the Minimum Standard Health Protocols for Parks, Beaches, Bodies of Water and Water Parks including:

- Clean and Disinfect all rented recreational water equipment after use
 - Life jackets
 - Tubes
 - Pedal Boats
- Provide Hand Sanitizer Stations throughout the Panther Island Pavilion beach and concessions area
- Temperature check for all staff and vendors before shifts
- Regularly and frequently clean and disinfect any regularly touched surfaces such as tables, chairs, bathrooms, concessions equipment, etc...
- Venue staff to wear a mask when providing service or in common spaces
- Social distancing protocols in place for lines (6 ft between customers)
- Contactless payment options (No Cash)

YOUR PROMISE TO US

- Mask mandatory for service and in common areas. (Does not apply if you are at your picnic table, white box on lawn or in the water swimming or doing recreational activity)
- Individuals should avoid being in a group larger than 10 individuals. Within these groups, individuals to the extent possible, minimize in-person contact with others not in the individuals household by maintaining 6 feet of separation between individuals
- Self-screen before coming to Panther Island Pavilion for new or worsening symptoms of possible COVID-19
- Wash or disinfect hands after interaction with employees, other customers, or items in the river, beach or pavilion
- Clean and sanitize recreational water equipment before and after use. Avoid touching areas that other patrons have touched. Carry and use hand sanitizer
- No more than 10 tubes can be linked/tied up together
